

AMBETTER FROM HOME STATE HEALTH PHARMACY LOCK-IN PROGRAM

Updated Launch Date on June 15, 2022

Ambetter from Home State Health is pleased to announce an updated program launch date in its effort to address Missouri's ongoing Opioid crisis. It set to launch on June 15th, 2022. The previous launch date had been set for January 1st.

The intent of the Ambetter Pharmacy Lock-In Program is to prevent members from obtaining excessive quantities of prescribed medications through multiple visits to providers, pharmacies, and/or facilities. The program will use medical and pharmacy data to identify members.
